Dear Crime Prevention Network Golfer,

It is time to get into the swing of it under the lights at LaFortune! Join us on Thursday evening, June 13, 2019, at the newly-renovated LaFortune Park Par 3 Golf Course. Be one of the first in Tulsa to experience the all-new layout, cart paths and stadium lighting and all for a good cause!

We're raising funds for the 10th Annual Cups and Cuffs Golf Tournament to benefit the programs of the **Crime Prevention Network**. Our mission is to provide valuable crime prevention education and safety awareness services to residents and public safety providers in the greater Tulsa area.

Over the past year, our **Crime Stoppers 596-COPS** program has yielded 2,816 tips that have led to 42 felony arrests and tens of thousands of dollars in recovered property, cash, and narcotics. Most notable were the tips received in the Good Friday shootings which led to an immediate arrest of the suspects. This is just one example of police, city officials and alert neighbors working together to keep our streets safe.

Our **Alert Neighbor** program touches more than 100,000 residents, training proactive volunteers. Our staff, along with Tulsa-area law enforcement, work tirelessly with educating residents on preventive actions they can take to keep their neighborhoods crime-free. Also, stay tuned to hear about some **exciting new programs in the works with area law enforcement and Tulsa youth**.

We could not achieve our mission without the support of our community. On the back of this page, you'll find sponsorship opportunities and event day details. For additional information on our programs or to register online please visit www.tulsacrimestoppers.org.

Thank you for helping us make Tulsa a safer place to live, work and play. We look forward to seeing you on the links!

Sincerely,

Joe Bickford
G4S Secure Solutions
